

DABBERS 2 DAY SUMMER TRIAL

Ashdon, Essex.

On Saturday afternoon, there will be a trial starting at 1:00 PM. This will be for twinshocks, pre-70s and guests with 2 routes as normal, but it will be run as a light-hearted team trial. Teams will consist of 4 riders maximum with the best 3 scores counting towards the overall team score. It would help the organisers if you could "register" your teams by email to trials.team@dabbertrialsclub.co.uk before the event by sending the names of riders along with a team name. If you are not in a team, don't worry as we will also make up teams on the spot to make sure that individuals get to ride the trial too.

On Saturday evening, after the trial there will be a presentation for the winning team followed by this season's Dabbers Trials Club championship presentations. This will include all the usual trophies for each class along with the main trophies that winners keep for a year. The rest of the evening will consist music, beer and a bonfire etc. There will be basic camping facilities with loos on site, but no fresh water.

On Sunday morning, to help clear the thick heads, there will be a trial with the same classes and format as normal with a 10:30 start.

Venue: Ashdon, Essex (Between Linton and Saffron Walden).

Nearest post code: CB10 2NB lookout for Dabbers signs.
