

## DABBERS 2 DAY SUMMER TRIAL

**Ashdon, Essex.**

On Saturday afternoon, there will be a trial starting at 1:00 PM. This will be for twinshocks, pre-70s and guests with 2 routes as normal, but it will be run as a light-hearted team trial. Teams will consist of 4 riders maximum with the best 3 scores counting towards the overall team score. It would help the organisers if you could "register" your teams by email to [contact@dabberstrialsclub.co.uk](mailto:contact@dabberstrialsclub.co.uk) before the event by sending the names of riders along with a team name. Please don't send any money, just fill in the usual entry form ( available on [www.dabberstrialsclub.co.uk](http://www.dabberstrialsclub.co.uk) ) and sign on as a team on the day. If you are not in a team, don't worry as we will also make up teams on the spot to make sure that individuals get to ride the trial too.

After the trial, we will set up a trials bike related fun challenge. We are not really sure what it will be yet, but we have had some suggestions – many of them far too dangerous!

On Saturday evening, after the trial there will be a presentation for the winning team followed by this season's Dabbers Trials Club championship presentations. This will include all the usual trophies for each class along with the main trophies that winners keep for a year. The rest of the evening will consist beer, barbeque and a bonfire etc. Beer, wine, soft drinks and BBQ will be laid on, but you may need to bring some of your own if you have special requirements or if we run out! There will be basic camping facilities but no fresh water though.

On Sunday morning, to help clear the thick heads, there will be a trial with the same classes and format as normal with a 10:30 start. Please pre-register for this too by emailing us and bring the £10 entry fee with you on the day.

**Venue: Ashdon, Essex (Between Linton and Saffron Walden).**

**Nearest post code: CB10 2NB lookout for Dabbers signs.**
