Welcome to the Dabbers Trials Club!

The Dabbers trials club was originally started by members of the Vintage Motorcycle Club who fancied a go at classic trials. Over the years it has grown into a club with a much wider scope. We still focus on classic bikes such as twinshocks and pre-70s etc, but it is club policy to welcome riders of all machines, especially newcomers and juniors. So, our sections will never be aimed at expert riders on mono bikes, but we do set up 2 routes – the easy route for novices and juniors (and old boys on vintage bikes!), and a bit more challenging route for more accomplished riders. We will always strive to be a friendly club so that no one (especially newcomers) will feel like an outsider.

As with all trials clubs, we are always on the look out for observers. We use the punch card scoring system so that observers get to meet each rider which makes observing much more pleasant. So, if you know of anyone who fancies a go at observing please bring them along – no experience needed!

Even though you do not have to be a club member to ride at Dabbers trials events, there are several good reasons to join the club.

- Firstly you will be automatically entered into the Dabbers championship. There are classes for Twinshocks, Pre-70s (both Dabbers and expert routes) and Rigids. Additionally, there are championships for 4 stroke riders and juniors. At the end of the season, trophies are awarded to the top 3 in each class.
- We occasionally run some extra events such as training days. In the past, they have been somewhat over subscribed, but as a member you will go to the top of the list.
- We have a range of clothing that is available to members at cost price. There are high quality Baseball caps, T shirts, polo shirts and rugby shirts available.
- Recently, the club has begun to amass a stock of bike spares and consumables to help get you out of a muddle should something go wrong at a trial. The stock is always changing as we spot a bargain, but right now we have a selection of levers, twist grips, cables etc as well as the exclusive Dabbers number board for the front of your bike. As a member, you can purchase items at cost price.
- Finally, there's the best reason to be a club member: It's great to be one of such a friendly bunch of trials riders who are out to have a hassle free, fun time on a few Sundays each year.

Keep an eye on the web site www.dabberstrialsclub.co.uk for details of events and results. Dabbers trials also appear in Trials and Motocross News in the regulations available section.

You can always get hold of us by email: contact@dabberstrialsclub.co.uk or just give us a call: Andy 07850 356555, Nick 07802 387584, John 07787 507316.

See you at the next event!
