

## SOUTH RUNCTON (EAST OF A10) INFORMATION

A wooded area off the A10 consisting of a mixture of natural woodland with some man made pits and mounds. The track through the wood used to be the old main road. Much of the area was a disused sand quarry, that was filled in and left to overgrow when the main A10 was diverted and straightened.

### TRIAL FORMAT

The event starts at 10:30. Signing on from 9:30. Rider briefing at 10:25.

There will be 4 laps of 10 sections or 3 laps of 15. Sections will be closed for a lunch stop of about 30 – 40 mins about half way through.

Please note that no bikes are to be ridden before the rider briefing.

### DIRECTIONS

Drive just under 3 miles north of Downham Market towards King's Lynn on the A10 and take the road to the right signed "Runcton Road". The entrance to the site is 200yds on the left.

Nearest post code for your satnav: **PE33 0ET** and watch out for Dabbers signs.

Parking is a little restricted along the old road through the site, so please don't completely block the track and take notice of any Dabbers Parking signs.

**MAP (The cross in the centre of the map shows the site entrance)**
